WELCOME TO BASIS CHARTER SCHOOLS

We are thrilled that you have chosen a BASIS Charter School as the appropriate educational environment for your child for the 2019–2020 school year. The first BASIS Charter School was founded in 1998 by Olga and Michael Block in Tucson, Arizona. It has grown from a single, small, family-run charter school with 56 students to a major player in the advancement of American education in Arizona, Louisiana, Texas, and Washington, D.C.

BASIS Charter Schools currently include BASIS Ahwatukee, BASIS Baton Rouge, BASIS Chandler, BASIS Chandler Primary North, BASIS Chandler Primary South, BASIS Flagstaff, BASIS Goodyear, BASIS Goodyear Primary, BASIS Mesa, BASIS Oro Valley, BASIS Oro Valley Primary, BASIS Peoria, BASIS Peoria Primary, BASIS Phoenix, BASIS Phoenix Central, BASIS Phoenix Primary, BASIS Phoenix South Primary, BASIS Prescott, BASIS San Antonio Primary Medical Center, BASIS San Antonio Primary North Central, BASIS San Antonio Shavano, BASIS Scottsdale, BASIS Scottsdale Primary East, BASIS Scottsdale Primary West, BASIS Tucson North, BASIS Tucson Primary, and BASIS Washington, D.C.

Even as we grow, we retain the commitment to excellence and the feeling of family that helped create the strong foundation for our mission and philosophy.

MISSION
The mission of BASIS Charter Schools is to empower students to achieve at globally competitive levels with a transformative K–12 academic program.

PHILOSOPHY
Our Schools hold students to the highest possible academic standards, asks them to take responsibility for their own work, and do so with the guidance of teachers who are both highly qualified and highly motivated to help students in every way possible. We understand that the time a student has to prepare for college is exceedingly short; it is our goal to make the most of that time by providing the best, most focused college-preparatory education possible.
School(s): The information contained within the handbook is common to all BASIS Charter Schools. For the purpose of this handbook, the term School is used to represent any or all BASIS Charter Schools.

SCHOOL INFORMATION: Information that relates to all BASIS Charter Schools, but differs based on specific School or region (Arizona, Louisiana, Texas, or Washington, D.C.) The handbook provides a direct link to School or state specific information in the SCHOOL INFORMATION list located in the right-hand column of the page. The reader should also refer to their School’s Guidebook.

Parent: For the purpose of this handbook, the term Parent is used to indicate a student’s caregiver(s)/guardian(s) as identified in the student’s registration documents as the person(s) with whom the student resides. It is assumed that both the student’s mother and father have equal rights as legal guardians of the child and all information will be provided to both Parents when requested during the registration process. If there is a court order limiting Parent custody, communication, or visitation with the student, it is the responsibility of the sole caregiver to submit a copy of the court order to the School. Unless a court order is on file, the School will regard both Parents as having equal rights to access and information regarding the student.

A student who is 18 years of age or older, or is legally emancipated, may submit written notice requesting the School not contact his/her caregiver(s) with regard to grades or other personal information. After submitting the required notice and documentation of legal emancipation, as appropriate, the term Parent, for the purpose of the handbook, represents the student and the previously-recognized Parent is excluded from any further communication. It is the student’s responsibility to submit the written notice and documentation of legal emancipation, as appropriate. Without the notification on file, the student’s caregiver(s) will continue to receive communication from the School regardless of the student’s age and consistent with applicable law.
The purpose of this handbook is to inform students and Parents of the policies, procedures, and operations of the School. It presents information highlighting policies and guidelines necessary for the academic achievement, safety, welfare, and wellbeing of our students. The Parent is required to review the contents of this handbook and share appropriate information with his/her child. As a condition of enrollment, Parents and students are required to sign the Handbook Acknowledgment, which indicates that both the Parent and student understand and agree to abide by the directions of this handbook. Each student will receive a copy of the Handbook Acknowledgment from his/her School to complete. Information, policies, and procedures pertinent to an individual School campus (e.g., drop-off and pick-up information, etc.) will be provided in the School’s Guidebook, which applies alongside the Parent-Student Handbook.

Policies published in this handbook are overseen by the School’s governance entity. To learn about the governance entity for your School, refer to following state appropriate link:

- Arizona
- Louisiana
- Texas
- D.C.
The School offers the option of participating in an Electronic Communications Service. A Parent who agrees to this service will receive all general information (including this handbook) and updates, notifications, announcements, newsletters, etc. through Internet based communication. The School uses industry-standard technologies to protect and secure the electronic information. The use of any electronic communications system, such as the World Wide Web, has a number of risks that users should consider before use. While the School will use all reasonable means to protect the security and confidentiality of electronic information sent and received, including the use of encryption and other security technologies, it cannot guarantee the security and confidentiality of web-based communications, and will not be liable for inadvertent or improper disclosure of confidential information that is not caused by intentional misconduct or that is caused by failures of systems outside of the School. For those who do not agree to the Electronic Communications Service, all information communicated via this service will be made available for review at the School front office.

The information provided by the Electronic Communications Service is provided only to the Parent. Only upon written request, and in compliance with the relevant laws and regulations, will the School provide information to other parties. For the purpose of this handbook, the term “communicated” means that the Parent is informed using the Electronic Communications Service. This does not prevent the School from using additional communication means, (e.g., fliers, signs in the parking lot, or electronic screens in the foyer and cafeteria).
School management consists of the Head of School, Head of Operations, Director of Academic Programs, and (depending on grade levels served and size of the School) a Director of Student Affairs, Director of Primary Programs, Director of Middle School Programs, or Director of Upper School Programs. School staff includes teachers and teaching fellows, Deans, Special Education Coordinators, and other administrative staff. While every School has a Head of School and a Head of Operations, in small and newer Schools, the role of Director of Student Affairs might be performed by the Head of School. Only Schools with full K–4 programs have a Director of K–4 Programs. The number of Deans and the grades they are responsible for depends on the grades the School serves and its population. To find out who is in these management positions at your School, refer to SCHOOL INFORMATION.

The course teacher (or Learning Expert Teacher, when applicable) is the first point of contact when Parents or students need to communicate about academic issues or a student’s wellbeing in a specific course. Any other issues related to general academic performance or a student’s wellbeing should be addressed with the student’s Dean.
CURRICULUM AND COURSE ENROLLMENT

All BASIS Charter Schools follow the BASIS Charter Curriculum. This internationally-benchmarked and accelerated liberal arts curriculum was developed by BASIS.ed and is managed and continuously developed by BASIS Curriculum experts.

The BASIS Charter Curriculum determines the order in which students are required to take specific courses or what courses students can select from the School course catalog. For a specific School course catalog, refer to the BASIS Charter Schools Course Catalog link in ParentSquare. The content of each course is guided by BASIS.ed Link & Assessment (BeLA), the system developed and managed by BASIS Curriculum experts. It is the responsibility of our curriculum experts to align the curriculum with the educational standards required by the relevant authorities (Arizona Department of Education, Louisiana Department of Education, Texas Education Agency, and Office of the State Superintendent, D.C.).

It is mandatory for all teachers to be familiar with the educational standards for their state and to implement the BASIS Charter Curriculum in compliance with these requirements. Using the BeLA system, the teacher designs the Course Syllabus. The syllabus explains the content of the course in the form of a course outline, including lesson units and activities. In addition, the syllabus includes the description of class policies, grading policies, as well as a list of supplies and instructional materials needed for the class. Students receive the syllabus by the end of the third week of instruction. Each course syllabus is available for Parents in the School office. The BASIS Charter Curriculum distinguishes three types of courses: required courses, elective courses, and optional courses.

REQUIRED COURSES

Students are assigned required courses. In the event that there are alternatives to required courses for students in specific grades, the student’s Dean and/or Director(s) recommends placement based on course prerequisites and available space. The prerequisites include, but are not limited to, previously attended courses, academic results in previously attended courses, results of placement tests, and auditions. Based on a student’s performance, the Dean may recommend a change in the student’s required course enrollment during the school year. The final decision is made by the student’s Director(s). The Parent is informed prior to a final decision.

ELECTIVE COURSES

Starting in grade 6, students must select one elective course from available options. Because some electives are more popular than others, students are required to list more than one preferred elective. A student’s preferred elective courses must be approved by a Parent in the form of a signature and may require a fee for optional materials designed to enhance the student’s experience in the course. The Curriculum
Coordinator and/or Director(s) recommends elective placement based on course prerequisites and available space; then, the Director(s) makes the final decision about placement in an elective course based on the recommendation.

**OPTIONAL COURSES**

Students may be offered optional courses as an enrichment to the academic program. As these courses amount to additional but not essential academic benefits, there may be an additional fee required. Students are not required to attend any optional course, but once he/she opts to attend the course, it becomes part of his/her academic record. The Parent must approve and agree to pay all fees connected to the course. Optional courses cannot be taken in place of required courses, and the Dean may recommend that the student does not enroll in optional courses. The student’s Director(s) makes the final decision about enrollment in optional courses. The required and elective courses offered to students at any BASIS Charter School meet or exceed the requirements of Arizona, Louisiana, Texas, and Washington, D.C. standards. In compliance with charter laws and regulations, all required and elective courses are offered free of tuition.

**CHANGES IN ELECTIVE OR OPTIONAL COURSE ENROLLMENT**

Only students in grades 8–12 are allowed to petition for changes in elective and optional courses. Students in grades K–7 are assigned elective and optional courses by the process described above. Based on a student’s academic results, the Curriculum Coordinator may recommend a change in elective or optional course enrollment during the school year. The final decision is made by the Director(s). The Parent is consulted prior to a final decision.

**WITHDRAWAL FROM ELECTIVE OR OPTIONAL COURSE (GRADES 8–12 ONLY)**

Students must take at least one elective course per grading term; however, students may withdraw from a second elective course or additional optional course. In the event that a student is enrolled in a second elective course because he/she has chosen not to take an AP Science course, the student may not withdraw from the second elective course at any time.

**LATE ENROLLMENT IN ELECTIVE OR OPTIONAL COURSE (GRADES 8–12 ONLY)**

Students may petition the Curriculum Coordinator (in writing) for late enrollment in an elective or optional course. The Curriculum Coordinator will confirm with the course teacher that the course is available (based on space, academic standing, etc.). The Curriculum Coordinator recommends the petition for approval, or disapproval, to the student’s Director(s). The Director’s decision is final. If the petition is approved, the timing of
the change in course enrollment depends on when the petition was made:

- If the petition was submitted between the first day of school and the end of the first full week of classes, the student will be enrolled in the new elective course immediately after the approval is granted.
- If the petition was submitted after the first two weeks of the first Trimester, but before the end of the first Trimester, the student will be enrolled in the new course at the beginning of the second Trimester.
All BASIS Charter Schools are managed by BASIS.ed. To learn about BASIS.ed, refer to this Link. All Schools managed by BASIS.ed are accredited by AdvancED (NCA CASI). To learn more about AdvancED, refer to this Link. Dedicated to advancing excellence in education worldwide, AdvancED—a non-profit, non-partisan organization that conducts rigorous, on-site external reviews of PreK–12 schools—provides accreditation, research, and professional services to 36,000 schools and school systems across the United States and in more than 70 countries that educate more than 20 million students. AdvancED accreditation is provided under the seals of the North Central Association Commission on Accreditation and School Improvement (NCA CASI), Northwest Accreditation Commission (NWAC), and the Southern Association of Colleges and Schools on Accreditation and School Improvement (SACS CASI). BASIS.ed received system re-accreditation from AdvancED (NCA CASI) in June 2017. System accreditation recognizes that increasing student achievement involves more than improving instruction. It is a result of how well all parts of the education system—the community, school, and classroom—work together to meet the needs of students.

**HOW TO CONTACT US**

A Parent may contact any member of the School management or staff by email or written note to the staff in the School office. Office Assistants are not authorized to provide anyone, including Parents, with information related to student attendance or academic performance, but they are available to help connect you with the appropriate individual or department. Please refer to SCHOOL INFORMATION for office hours and contact information.
SCHOOL ORGANIZATION

GRADES

Schools are organized in different grade level configurations within the K–12 system.

- Grades K–4: BASIS Chandler Primary North, BASIS Chandler Primary South, BASIS Peoria Primary, BASIS Tucson Primary, BASIS Phoenix South Primary, BASIS Scottsdale Primary East, BASIS Scottsdale Primary West
- Grades K–5: BASIS Oro Valley Primary, BASIS Phoenix Primary, BASIS San Antonio Primary Medical Center, BASIS San Antonio Primary North Central, BASIS Baton Rouge, BASIS Phoenix Central
- Grades K–12: BASIS Flagstaff, BASIS Goodyear, BASIS Mesa, BASIS Prescott
- Grades 4–12: BASIS Ahwatukee
- Grades 5–12: BASIS Chandler, BASIS Peoria, BASIS Phoenix, BASIS Scottsdale, BASIS Tucson North, BASIS Washington, D.C.
- Grades 6–12: BASIS Oro Valley, BASIS San Antonio Shavano

To simplify communication, High School refers to grades 9–12. For policies regarding promotion from grade to grade once a student is enrolled at a BASIS Charter School, please see Grade and Course Promotion Criteria. Students may be transferred between grades during the school year at the recommendation of the Director of Student Affairs and Head of School. The Head of School has the final decision. The Parent is consulted prior to a final transfer.

GROUPS AND SECTIONS

Students in grades K–8 are organized into “groups” based on grade level; for the majority of the day, students in the same group will attend classes together. Students in grades 9–12 are organized into “sections” for the purpose of scheduling. Section assignment depends on program requirements, students’ academic readiness, and scheduling constraints. Additionally, in certain cases (e.g., elective courses), the placement of students in sections is guided by student or Parent preference. For students in grades K–8, the sections mostly coincide with the groups. All classes for students in grades 9–12 are scheduled by section. Students may be moved between groups and sections during the school year at the recommendation of the course teacher or the student’s Dean. The final decision about group and section placement is at the discretion of the Director of Student Affairs. The Parent will be informed prior to any change.

The School reserves the right to make all final decisions regarding the placement of a student in a grade, group, or section.
INSTRUCTIONAL DAY

The standard instructional day varies depending on grade level. Regardless of the grade level, however, the day includes courses or classes, transition periods or breaks, and lunch. Depending on grade level, the day may also include recesses. Students attend regular courses, elective courses, breaks, recess, and lunch during the times specified on the student schedule. To learn about the School and grade-specific schedules, refer to the student schedule your student receives during the first week of instruction.

SCHOOL YEAR

The school year is defined in the school calendar and meets or exceeds the minimum days and hours of instruction prescribed by relevant laws or regulations. Typically, the school year has a total of 180 instructional days. Most instructional days are full days. For specific dates of instruction, early release, and other school year information, refer to SCHOOL INFORMATION and the School’s Guidebook.

The school year consists of the Academic Term, review periods, Project Term, and optional summer term:

- **Academic Term**: starts on the first day of school and ends on the last school day before the Comprehensive exam review period (for grades 6–8), before Final Exams (for non-AP courses in grades 9–12), or before AP Exams (for AP courses in grades 9–12). During the Academic Term, students follow their regular schedules. The Academic Term is divided into five Grading Periods for grades K–7 and three Trimesters for grades 8–12.
  - For the purpose of early identification for Academic Support Student Program, Trimesters are divided into mid-Trimesters. During the Academic Term, the School requires students in all grades to take any standardized examinations mandated by the relevant law or regulation. A test calendar with detailed dates will be communicated to the Parent as soon as it is available.

- **Review periods (Grades 6–8)**: begin a minimum of five school days before PreComprehensive and Comprehensive exams. Students in grades K–5 and 9–12 are exempt from both PreComprehensive and Comprehensive exams and, therefore, do not participate in the review periods. The dates of PreComprehensive and Comprehensive exams are marked in the School Academic Calendar.

- **Project Term**: encompasses the four to six school days before the last school day. During this time, students work on multidisciplinary projects in multi-grade groups. The goal of these projects is to challenge students to be cooperative, creative learners and to function as a team to achieve a specific goal.

- **Senior Project Term (grade 12 only)**: starts the first day of the third Trimester. Seniors who have fulfilled conditions required for participation in a Senior Project may spend the last Trimester participating in the Senior Project, typically outside school premises. For more information about the Senior Project requirements and eligibility, please refer to the Graduation and Diploma Requirements link in ParentSquare.
• **Summer term**: begins after the last school day and ends the day before the first day of the following school year. During summer term, the School may organize optional summer programs for students.

**GRADE PROMOTION REQUIREMENTS AND GRADE REPORTS**

For policies regarding grading periods, grading scales, grade promotion, grade reports, and GPA calculations differ by grade level, refer to the Grade Promotion link on ParentSquare.

**GRADUATION REQUIREMENTS AND DIPLOMA OPTIONS**

To obtain a BASIS Diploma, students must fulfill the graduation requirements for their graduating year and their School. Most of these requirements are the same at each School. However, these may be modified depending on Arizona, Texas, Louisiana, and D.C.-specific requirements and the School (i.e., the year the School opened and how many years the student has attended a BASIS Charter School).

To read more about the BASIS Graduation Requirements and Diploma Options, (defined by School and year of graduation), refer to the Graduation & Diploma Requirements link, listed by cohort, on ParentSquare. It is crucial for the students and Parents to read this information prior to the student entering grade 9. While the School works with students to ensure they understand these requirements and their graduation options, it is necessary for students to be familiar with any adjustments (e.g., less stringent requirements) made for their specific School and graduation year. Students with disabilities who receive specialized instruction and/or related services under an Individual Education Program or Section 504 plan must meet the graduation requirements set forth for their graduating year and BASIS Charter School in order to receive a regular BASIS Diploma.
EXAM REQUIREMENTS AND FEES

Advanced Placement® (AP) Exams: The College Board assesses a fee for each exam ordered. The BASIS Diploma graduation requirements compel students to take a minimum of six AP Exams and pass at least one with a minimum score of 3 (see BASIS Graduation Requirements and Diploma Options). As long as a student maintains a Cumulative Course Average of a D or above in any AP course (by the end of the third Trimester), the School will pay for the minimum required number of AP Exams each year. The School will pay for additional AP Exams when the student meets the following conditions:

• In grade 8, upon teacher recommendation, which is based on the student’s performance on practice AP Exams and the course in general.
• In grade 9, for the second or any additional, non-required exam, upon teacher recommendation.
• After grade 9, students must maintain an average score of 3 or above on all AP Exams or the student may not receive full financial support for AP Exams beyond the six that are required for graduation.

- If a student leaves the School before graduating, the cost of any non-required AP Exams taken while attending the School will be charged to the Parent or, if applicable, deducted from the student’s security deposit.

OECD TEST FOR SCHOOLS (BASED ON PISA)

The highly respected Programme for International Student Assessment, or PISA, is managed by the Organization for Economic Co-Operation and Development (OECD). The PISA is administered every three years internationally, while the OECD Test for Schools (based on PISA) is administered in the United States every year by schools that elect to take it. The PISA test is an internationally benchmarked, school-level assessment tool that measures critical-thinking skills and how well 15-year-old students can apply their knowledge of reading, math, and science to real-world problems. The results of the PISA enable the School to compare their students’ results against international results and earn international recognition. Since the test measure a student’s problem-solving abilities and is not curriculum-based, it requires no prior preparation. This test is critical for the School to determine international benchmarking; therefore, all eligible 15-year-old students are required to take the test during the school year, although they do not factor into students’ grades. For additional details, refer to the OECD Test for Schools website at this Link.
ISA TEST

ISA (International Student Assessment) is also based on the PISA test, and is built for younger students—BASIS Charter Schools use it in grades 3–5. The ISA assesses core skills in mathematical literacy, reading, writing, and scientific literacy, and utilizes open-ended questions to illuminate students’ thinking processes. It does not reflect any specific curriculum, and it provides data on student and school levels, as well as provides comparisons across schools and countries. For more information refer to this Link.

ADDITIONAL GRADE PROMOTION CRITERIA

Arizona

In Arizona, pursuant to ARS § 15–701, a student in grade 3 who fails to meet the reading standards as measured by the applicable state assessment shall not be promoted unless the student meets one of the exceptions to this promotion condition under ARS 15-701(2)(b). The student shall be provided with intensive reading instruction as defined by the Arizona State Board of Education. For more information, refer to this Link.

Texas

In Texas, according to the Student Success Initiative (SSI), students in grades 5 and 8 who fail to meet the required standard on the Math and Reading assessments do not meet state promotion criteria. These students may be retained in those grades. For more information, please see the SSI Manual or your Director of Academic Programs.

Texas EOCS: pursuant to Texas law, all students in Texas must pass End of Course (EOC) exams in five subjects (Algebra I, English I, English II, Biology, and U.S. History) in order to be eligible for promotion, and ultimately graduation. The end of course exams are given at BASIS Charter Schools consistent with the year the student takes the course material. For more information, refer to this Link.

Please note: Based on the essential knowledge and skills for each course, and in light of the BASIS Charter Curriculum, BASIS.ed retains the right to implement an equivalency scale for the purposes of determining course credit for high school graduation should the state mandate a grade average.

Please note: Students in grade 8 who receive a ‘1’ on their AP World History exam can petition to take the World History Comprehensive exam on a date specified by the School. The student must earn a minimum of 60% on the World History Comprehensive exam to be promoted to grade 9. Students who receive a ‘2’ or higher are promoted even if they opted not to take the World History Comprehensive exam and irrespective of their World History Comprehensive exam results. For Texas schools, this rule applies to grade 8 students taking the AP U.S. History Exam.
ACADEMIC RECOGNITION

The School recognizes high academic performance at the end of each Grading Period or Trimester. The Director of Students Affairs organizes an Academic Honors and Awards Assembly at the conclusion of each of the first four Grading Periods for students in grades K–7 and at the conclusion of the first two Trimesters for students in grades 8–12.

The academic achievement of the students is recognized in the following ways:

• **Distinguished Honor Roll**: Top 5 percent of students with the highest cumulative averages (grades 5–12 only; not awarded for Grading Period 1).

• **Honor Roll**: Top 15 percent of students with the highest averages for the current Grading Period (grades 5–12 only).

• **Most Improved Honor Roll**: Top 5 percent of students in terms of total percentage improvement between the previous Grading Period and the current Grading period (not awarded for Grading Period 1).

• **90s Club**: All students in grades K–7 earning a cumulative Average of 90% or higher for the current Grading Period.

• **Commended Scholar List**: All students in grades 8–12 earning a cumulative GPA of 3.5 or higher for the current Trimester.

In addition, at the end of the school year, the Director of Students Affairs organizes end-of-year Academic Honors and Awards Assembly for all grade levels. Students are recognized for their outstanding academic performance during these assemblies. Graduating students also receive awards during the graduation ceremony.

At the beginning of each school year, the Director of Student Affairs organizes an awards ceremony to celebrate AP and state standardized test scores from the previous school year. The School recognizes students who have excelled in the AP program at graduation with titles granted by the College Board: **AP Scholar, AP Scholar with Honor, AP Scholar with Distinction, and National AP Scholar. Additionally**, some students might earn the distinction of the **International AP Award** or **State AP Award**. For additional details on these acknowledgments, refer to the College Board website at this [Link](#).
ACADEMIC SUPPORT PROGRAM

One of the central tenets of the School’s educational philosophy is to create independently motivated students. The Academic Support Program is one of the general education tools BASIS Charter Schools use to support the growth of academic independence in students. Academic Support Advisers work closely with students to instruct them in effective use of resources available to students within the School.

Students are primarily placed on Academic Support when they are displaying systematic deficiencies in turning in assignments, producing quality assignments, or they are failing to perform at a passing level on assessments. Additionally, students may be placed on Academic Support when they first enter BASIS, following an extended absence, or when they need close monitoring for a variety of reasons. Academic Support Placement is always temporary, and the goal is to “graduate” students from the program as they take more and more responsibility for seeking out academic support on their own.

ENRICHMENT ACTIVITIES

Each School aligns its Enrichment Activities, both clubs (e.g., sports, chess, and string ensemble) and events (e.g., school dances), with the interests of their students in mind. The School Enrichment Activities serve to provide more academic, artistic, sporting, and community service opportunities and to expand the options offered by the curricular program. Information on the available Enrichment Activities offered at your School will be communicated to your student throughout the school year. If further information is required, please make an appointment with the School’s Auxiliary Program Coordinator. If you require information on the Early or Late Bird Programs, please contact your Dean of Students.

Please note: Please see the BASIS DC, BASIS Baton Rouge, and BASIS Phoenix South Primary School Guidebooks for more information about the Food Services Programs.

EXCEPTIONAL STUDENT SERVICES

As a public school, the School provides eligible children with disabilities a free and appropriate public education (FAPE) through the provision of special education and/or related services, depending on their disability and level of need, under an Individual Education Program or a Section 504 Plan. Contact the School’s Special Education Coordinator for more information on the School’s policies and procedures related to the identification, evaluation, placement, and provision of FAPE to children with disabilities.
The School’s academic rigor and high expectations demand an environment that is free from disruption and fosters mutual respect among students and staff members. To accomplish this, the School has developed clear rules concerning student behavior that are strictly enforced without regard to gender, religious belief, ethnic background, nationality, disability, gender identity or expression, or other protected class. Any violation of rules described within this Handbook is considered a violation of School rules. Signing the Handbook Acknowledgment as defined in the Handbook Purpose and Handbook Acknowledgment section of this Handbook indicates that both the student and Parent have read and understood all policies and rules. The Handbook Acknowledgment will be provided by the School.

School discipline is enforced each school day for all students whenever they are on School premises or participating in School-sponsored activities. This policy is enforced wherever and whenever an organized School event takes place. The School reserves the right to discipline students for off-campus behavior at School organized events and for off-campus behavior that disrupts the School environment. The School may also honor the disciplinary consequences imposed by a student’s previous school or deny enrollment based on disciplinary status consistent with all applicable state and federal laws.
CODE OF CONDUCT

- **Promotes respect for fellow students and staff members**: All students are expected and required to behave in a respectful manner toward other students, staff members, and property. In particular, the School adheres to a zero tolerance policy toward any language or behavior that intimidates, belittles, or causes physical or emotional injury to others.

- **Promotes respect for all individuals**: The School is fortunate to have a very diverse student population from a variety of ethnic, cultural, and religious backgrounds and strives to provide an environment where all students feel comfortable and thrive. For this reason, certain behaviors are strictly prohibited on School premises. These include, but are not limited to, the use of derogatory statements in reference to anyone’s race, sexuality, gender expression, ethnicity, culture, religious background, disability, or any other classification protected by law.

- **Promotes individual and community responsibility**: Each student is responsible and will be held accountable for his/her own language and actions. This responsibility extends to any knowledge of misconduct by other students. If a student is aware of misconduct by another student, it is his/her responsibility to inform a staff member. Withholding such information may be considered a Disciplinary Violation. Staff members make every effort to ensure the confidentiality of a student who reports misconduct by a classmate and will invoke appropriate sanctions against any student who responds to another in a retaliatory manner. Staff members will not tolerate bullying or cheating and neither should students. Please note that plagiarism, defined as the practice of taking someone else’s work or ideas and passing them off as one’s own, is considered cheating.

- **Provides a safe environment for students**: It is the responsibility of all students to immediately inform a staff member about any possible threat to student or staff member safety, health, or property that they have observed or have knowledge of. Withholding such information may be considered a Disciplinary Violation.

- **Provides a disruption-free, educational environment**: No student may disrupt another student’s learning. Classroom disruptions of any kind may be considered a Disciplinary Violation.

CLASSROOM RULES

• To enable students to master subject content, the classroom environment must be conducive to learning. Teachers set standards for student behavior and consequences for violating those standards in their classrooms. Specific classroom rules must be compatible with all policies and procedures published in this Handbook and are communicated to students and Parents via the Course Syllabus. Students must adhere to the following classroom rules:

• No disruption of another student’s education.
• No eating, drinking (other than water), or chewing anything, including gum.
• No passing notes.
• All electronic devices (including, but not limited to, games, radios, portable music players, and cell phones) must be switched off and out of sight during all academic, extracurricular, and auxiliary programs. The School discourages students from bringing electronic devices to school and is not responsible for any lost, damaged, or stolen devices.

The Code of Conduct and all school/classroom rules apply to online conduct in classes or activities where students use computer equipment to access the Internet, and when a student utilizes the School network to access the Internet.
PLAYGROUND RULES (WHERE APPLICABLE)

- Play only in the designated recess areas.
- Do not play near irrigation and/or muddy areas.
- Practice good sportsmanship at all times.
- Play safe, non-violent games (no tackling, grabbing clothing, tripping, or pushing).
- Use playground equipment as intended.
- Obtain permission from a teacher or staff member before leaving the playground.
- Do not touch or handle broken glass or harmful objects and report such items to a teacher or staff member immediately.
- Do not play tag or use sports equipment around the playground area.
DRESS CODE

The dress code is designed to promote respect for each student as an individual capable of exercising discretion and making responsible choices for his/her attire. All students must wear clothing that is appropriate to an academic environment and adheres to the following guidelines:

• No clothing may be worn that is not appropriate for school (e.g., revealing clothing, exposed undergarments, pants that could be considered “sagging,” etc.).

• No clothing may be worn that features offensive language; derogatory statements about individuals or groups of individuals; references to tobacco, drugs, alcohol or gangs; or wording/graphics that are suggestive of sexual or other inappropriate behavior.

• No clothing or footwear may be worn that could threaten the safety or health of the wearer or other students (e.g., shoes with wheels in the soles, or excessively high-heeled or platform shoes). Students in grades K–4 are not permitted to wear flip-flops.

• Staff members will determine whether a student’s attire complies with the dress code and will report any violations to the Dean of Students. The Dean’s decision regarding dress code is final. A dress code violation may be dealt with by requiring the student to cover up clothing or turn clothing inside-out, or by requesting that a Parent deliver replacement clothing to the School. Other measures include confiscation of non-essential items (e.g., hats) or other appropriate measures. Repeated dress code warnings may be considered a major Disciplinary Violation.

STUDENT PROPERTY ON CAMPUS

The School strongly discourages students from bringing any valuables to school. This includes, but is not limited to, jewelry, electronic devices (e.g., cell phones, game systems, radios, portable music players, etc.), or similar items. The School disclaims any liability for the loss or theft of any item.

Personal computers or tablets in the classroom are allowed only when the teacher gives explicit permission. Use of other electronic devices, including mobile phones and smart watches, during classes, is strictly prohibited. At a minimum, all electronic devices must be switched off and out of sight during classes. Personal items, print media, or electronic media brought to school must never contain nudity, profanity, or excessively violent or sexual content. Breach of this rule results in confiscation of the item and may be considered a major Disciplinary Violation. Please refer to the School’s Guidebook for specific policies regarding the use and possession of electronic devices and other student property on campus. For further information on the applicability of this policy to students served by Exceptional Student Services, see the Special Education Policies at the front office and contact the School’s Special Education Coordinator.
PHYSICAL/VERBAL AGGRESSION AND ABUSE

Students must immediately report any aggressive behavior to the nearest staff member, who will assess the seriousness of the problem, stop the offensive behavior, and/or initiate disciplinary consequences.

If a student is the victim of physical aggression, he/she may use force to defend him/herself only if it is necessary to prevent the offender from further aggression. School administrators have the authority to decide if an aggressive defense is considered necessary or if the student could have diffused the situation by other means (e.g., calling a staff member, walking away).

If a student observes aggression against property, he/she may try to stop this behavior only if this property damage might put others in immediate physical danger. In any other case, it may be considered a Disciplinary Violation for students to engage in any restraining, retaliatory, or vengeful behavior. Students who witness property damage must report it to a staff member.

If a student is being inappropriate or offensive, the teacher assesses the seriousness of the problem, stops the offensive behavior, and derives disciplinary consequences for such behavior. Students who persist in inappropriate comments or behavior may be removed from class by an administrator.

Students must observe the School’s policies pertaining to behavior, respect, and anti-harassment/non-discrimination in all interactions with peers and school staff. Students may not engage in speech that is threatening, vulgar, or harassing.

Staff members make every effort to ensure the confidentiality of a student who reports misconduct by a classmate. Sanctions may be invoked for retaliatory offenses, irrespective of the cause.
HARASSMENT AND BULLYING

The School will employ the following definition for harassment and bullying: severe, pervasive, systematic and/or continued unwanted and annoying actions by a person or group, including threats and demands, that:

- Places a student in reasonable fear for his/her personal safety or disrupts, substantially interferes with, or otherwise causes a detriment to the student’s educational environment, physical or mental health, attendance, academic performance, or participation in and benefit from School activities, programs, and services.

- May be based on an individual’s actual or perceived personal characteristics such as race, color, national origin, ethnicity, religion, sex, sexual orientation, gender identity or expression, disability, familial status, political affiliation, etc., or association with individuals who possess those characteristics.

For the Schools’ Racial and Sexual Non-Discrimination/Anti-Harassment Policies and Procedures refer to this Link.

Suspected, observed, or experienced harassment or bullying must be immediately reported to a staff member. Failing to report harassment or bullying may be considered a Disciplinary Violation. Staff members make every effort to ensure the confidentiality of a student who reports misconduct by a classmate, and invoke appropriate sanctions against any student who responds to another in a retaliatory manner.

The School goes to great lengths to prevent bullying, harassment, discrimination, and retaliation of any kind from occurring among its staff, students, and other community members. The School provides age-appropriate training to all students on these topics each school year. In connection with that training, the School provides a consent form to all Parents further emphasizing the School’s commitment to providing a school environment that promotes the equality, dignity, and respect of every student. By completing the form, Parents read and acknowledge that commitment while indicating their consent for their students to participate in the training. The School will hold all students accountable for adhering to its rules, Code of Conduct, anti-harassment and discrimination policies, and its prohibition against retaliation, regardless of whether the students’ Parents consent to participation in the training.
DISCIPLINARY CONSEQUENCES

A Disciplinary Violation is defined as non-compliance with any of the sections of this Handbook, the School Guidebook, and School rules, especially with the Code of Conduct.

Contacting Local Law Enforcement Authorities: If a student is considered an immediate threat to him/herself or others, or engages in conduct required by law to be reported to law enforcement authorities, School personnel will alert administrative staff and may contact law enforcement as appropriate to the circumstances.

- Dean Referral: the student is required to report immediately (or in the time interval indicated by a staff member) to his/her Dean for a potential disciplinary action. Prior to disciplinary action, the staff member referring the student to the office verbally informs the Dean of the violation or completes a referral report describing the event. The Dean, or the designated person, then informs the student of the policies he/she violated, invites the student to explain his/her understanding of the event, instructs him/her on disciplinary due process, and decides the remedy or the disciplinary consequences, as listed on the next page.

Consequences of a Disciplinary Violation may include, but are not limited to, the following disciplinary actions:

- Minor disciplinary consequences
  - Notice of Disciplinary Violation: the student is reminded of the next level of consequences for any subsequent Disciplinary Violation and may be excluded from the class for additional time and required to write a letter of apology or an essay to demonstrate that he/she understands the nature of the Disciplinary Violation. There is no requirement to inform the Parent about this action. In more severe cases, the Dean might request that the student perform additional academic or school service activities during the period of exclusion, before or after school the following day, and/or be excluded from an Enrichment Activity. In this case, the Dean writes a notice regarding the Disciplinary Violation in the CJ and the student is required to obtain a Parent signature by the next school day. Failure to follow instructions or obtain the signature may result in more serious consequences.
  - Temporary Exclusion: the student is temporarily excluded from the classroom, cafeteria, hallway, or other School premises, due to a Disciplinary Violation. The student spends an assigned time in a designated area under the supervision of a staff member. During this time, the student may be required to work on additional academic tasks or School service activities (usually activities related to the upkeep and maintenance of the School). Each exclusion is considered a Dean Referral. Failure to follow instructions during exclusion may lead to major disciplinary consequences.
Major disciplinary consequences

- **Short-Term Suspension (1–9 school days):** When the School is considering imposing short-term suspension, absent extraordinary circumstances the School will notify Parents and communicate with the student to give him/her an opportunity to explain his/her perspective. This conversation may occur immediately prior to the imposition of the suspension. The student must remain away from the School premises, classes, and all other School activities. Short-term suspension does not excuse the student from any academic work required during the suspension. Suspended students must make up missed assignments to receive credit for them. The Dean will set up procedures to ensure that the student has all the material and information necessary to perform independent study. This material and information will be available for the Parent to collect at the end of each school day. The Parent may call the School front office to verify that new material is available to be collected and to determine when the material will be available. Upon returning to School, the student is required to deliver all finished assignments he/she received during the suspension and coordinate any make-up tests or quizzes with the teacher of each subject. The student must make up these tests/quizzes on dates specified by each teacher.

When the Director of Student Affairs imposes a short-term suspension, the suspended student’s Parent is informed of the suspension by telephone, in writing, or in person. The Parent may be required to remove his/her child from the School immediately, or the Director of Student Affairs may postpone the start of suspension until the next day (or a later date). The Director of Student Affairs may also postpone the final decision regarding the length of suspension due to a pending incident investigation. The School reserves the right to suspend, without prejudice, any student subject to such investigation. If a student is subsequently found not guilty of a Disciplinary Violation or the violation proves to be significantly less serious than suspected, he/she is allowed an opportunity to make up and receive credit for missed assignments; however, there is no other compensation for the time spent on suspension during the investigation (e.g., no private tutoring, no more than regular additional time for make-up work). Once the incident investigation is completed, a conference between the Director of Student Affairs and the Parent is required before the student is allowed to return to the School.

*Please note:* Short term suspensions in all BTX schools do not exceed a period of five days.

- **Long-Term Suspension (10 or more school days):** the student must remain away from School premises, classes, and all other School activities. Long-term suspension does not excuse the student from academic work assigned during the term of suspension. As in the case of short-term suspension, the same procedures are employed to ensure the student has access to adequate resources necessary...
for independent study. The student might be required to come to the School after regular hours to take exams and quizzes during his/her long-term suspension. Prior to any long-term suspension, the student is placed on short-term suspension and the same rules described in the short-term suspension paragraph above are invoked. During the short-term suspension, appropriate School personnel conducts an investigation of the incident. This investigation will not exceed the length of the short-term suspension absent extraordinary circumstances. Once the investigation is completed, the Vice President of Charter Schools, or designee will select up to three individuals to serve as the Discipline Hearing Committee. These individuals will be unbiased third parties who may be employees of BASIS.ed who were not involved in the underlying events giving rise to the suspension recommendation. The student and his/her Parent(s) will receive written notice of the of the hearing, which shall include: date, time and place of the hearing; statement of offense(s); parental rights, and list of witnesses, and exhibits expected to be presented at the hearing. The Discipline Hearing Committee will issue a final written decision following the hearing.

- **Expulsion:** the School permanently withdraws the student's privilege of attending the School. Expulsion is initiated at the recommendation of the Head of School or other appropriate School personnel, following an investigation of the incident. The Vice President of Charter Schools, or designee will select three individuals to serve as the Discipline Hearing Committee. These individuals will be unbiased third parties who may be employees of BASIS.ed who were not involved in the underlying events giving rise to the expulsion recommendation. The student and his/her Parents will receive written notice of the hearing, which shall include: date, time and place of the hearing; statement of offense(s); parental rights, and list of witnesses and exhibits expected to be presented at the hearing. The Discipline Hearing Committee will issue a final written decision following the hearing.

*Please note: Pursuant to Texas law, if the Director of Student Affairs determines that a student's conduct warrants suspension for more than five days, or expulsion, the Director or the Head of School will provide the Parent with written notice of the reasons for the proposed disciplinary action and the date and location of the required hearing before the Director prior to taking any expulsion action. This hearing will take place within five school days from the date of the disciplinary action. The complete disciplinary due process for BTX Schools can be found in the School's Guidebook.*
OTHER DISCIPLINARY PROCEDURES

In general, the School follows a progressive discipline process. Depending on the severity of the conduct and proposed disciplinary consequence, school staff or hearing officials will determine the disciplinary consequence.

The most common type of Disciplinary Violation is disruptive behavior in the classroom. While such misconduct is generally considered relatively minor, repeat violations may be damaging to the classroom environment and may interfere with the learning process. Therefore, repeated minor infractions may eventually lead to major consequences such as short-term suspensions.

If a staff member announces a disciplinary consequence and the student believes he/she has been unjustly punished, he/she may request to contact his/her Parent immediately. The Dean will arrange for the student to contact his/her Parent. The Parent may elect to pick up the student immediately or allow the disciplinary process to move forward and implement consequences. If the Parent chooses to pick up the student within a reasonably short time, the student is taken out of his/her regular program and supervised by the Dean (or a designated staff member) until the Parent arrives. It is not the Dean’s responsibility to be available for a meeting with the Parent upon his/her arrival. If the Parent has questions regarding the incident, he/she can set up a meeting with the Dean to discuss the issue at a later date. If the Parent does not honor the student’s request to be collected, does not arrive within a reasonable amount of time, or cannot be contacted, the disciplinary process will continue. Generally, a reasonable amount of time means within one hour after the first call has been made; however, the Dean (or, in some cases, the Director of Student Affairs) may adjust based on individual circumstances.

Following a decision on a Disciplinary Violation, a Parent may request a meeting with the Dean of Students and may ask the Dean for a further explanation of the decision, in writing. The meeting shall occur as soon as schedules permit, and the Parent will receive the explanation within 10 school days. Should the Parent require further information, they may request a meeting with the Director of Student Affairs to discuss the Disciplinary Violation and resulting consequence.

Whenever the Director of Student Affairs imposes a short-term suspension, the Parent has the opportunity to discuss the incident and the disciplinary decision with the Director of Student Affairs during the mandated meeting prior to the student returning to the School. If the Parent does not support the decision, they may email his/her objections to the Director of Student Affairs. The Director of Student Affairs will forward the email to the Head of School. The Parent will then receive a response from the Head of School within 10 school days, but during this time, the Director of Student Affairs’ decision stands. If the Head of School supports the Director of Student Affairs’ decision, that decision is final and there will be no further appeal.
If the Parent believes that the School violated any charter or other applicable regulations or laws and believes that his/her concerns were not properly addressed by the Head of School, the Parent may contact the Vice President of Charter Schools, or designee. For the contact information of the Vice President of Charter Schools, or designee, please refer to this link.

Some disciplinary processes are different for students with disabilities. For information on when these processes will differ and in what form, please see the School’s Special Education Policies (available upon request at the School front office).

ACADEMIC INTEGRITY

The School takes issues involving academic integrity very seriously. If a student is caught cheating or plagiarizing (or if he/she is strongly suspected of cheating or plagiarizing), he or she will receive a zero on the assignment, test, or quiz in question, no matter the extent of the cheating.

STUDENT DISCIPLINARY RECORDS

The Dean of Students and the Director of Student Affairs make every reasonable effort to thoroughly investigate, accurately document, and fairly adjudicate all allegations of student misconduct. Disciplinary records related to the current school year are maintained by the Dean in the student’s disciplinary file. The student’s disciplinary file is made available for inspection by the Parent upon request. Before a Parent inspects the disciplinary file, the file will be adjusted to comply with the Family Educational Rights and Privacy Act (FERPA). In compliance with FERPA, all documents with information pertaining to other students involved in disciplinary events are redacted from the file prior to such inspection. When responding to requests for student disciplinary records and information from law enforcement agencies, court officials, other regulatory bodies, or any external entity, the School follows state requirements regarding records and the procedures mandated by FERPA.

DISCIPLINARY DISCLOSURE

Colleges and other schools routinely request information from Schools on disciplinary infractions. When specifically asked, the School may provide information related to disciplinary incidents that have resulted in an out-of-school suspension or expulsion. The School does not report on disciplinary actions that occurred at previous schools attended. Students who have had disciplinary infractions prior to their Senior Year are expected to respond honestly when completing a college application. The College Counselor will be available to assist in this process. In a student’s Senior Year, the School will report any significant changes in a student’s academic status or disciplinary record between the time of recommendation and graduation.
ATTENDANCE

The School believes that a student’s presence in the classroom is extremely important to success. All documents regarding absences and tardiness are maintained by the School’s Registrar and filed in the attendance binders. Each State or District may have individual regulations or policies regarding attendance. Please refer to your School’s Guidebook for these policies.

ABSENCES

To support learning and valuable classroom time, we urge Parents to align family vacations and other events for which students must miss school with the school calendar. The School academic program is very rigorous, so absences of any length are likely to jeopardize academic performance. Students are, therefore, required to attend all classes at all times. If this is not possible, students are required to complete all of the assigned make-up work.

The School complies with applicable state attendance reporting mandates. If a student is absent, a Parent is required to call no less than 30 minutes prior to the start of school to notify the School front office and provide the reason and the anticipated length of the absence. If the Parent does not make contact, the School will make a reasonable attempt to contact the student’s Parent. Until the School front office receives notification from the Parent, the absence will be considered unexcused regardless of the reason. Any unexcused absence is considered a violation of School rules.

Skipping one (or more) class is considered an unexcused absence unless a prior arrangement has been agreed upon between the School and the Parent. If a student accumulates excessive absences (that jeopardize the student’s academic success, according to the course teacher), the Parent will be required to meet with the Director of Student Affairs. The purpose of this meeting will be to determine how to remedy the consequences of absences to assure the student’s progress.

Concrete goals and a timeline will be summarized in an Absence Recovery plan. If the student does not follow the goals and timelines of the Absence Recovery plan, the Parent will be required to meet with the Director of Student Affairs again. At this meeting, the student may be declared chronically absent. A student’s chronically absent status will not change until the goals of the Absence Recovery plan are satisfied. Chronically absent students do not fulfill the requirements for grade promotion in grades K–8, or for full credit in grades 9–12. Students who do not attend school may be withdrawn and/or reported to law enforcement pursuant to applicable state law.
TARDINESS

Students who do not arrive to school or class on time are tardy. Students should arrive to school ten minutes prior to his/her first class. Students should be in the classroom and in their seats when class begins. Under extreme circumstances (e.g., major traffic accidents, adverse weather conditions, sickness, or unexpected family issues), the Dean of Students may excuse tardiness. Students arriving after their class has started may be required to wait in a designated area until the start of the next class. This is often necessary to assure the quality of the education process for other students in the class. Tardiness can cause a student to miss valuable instructional time, and often creates disruption and a distraction to the learning environment for other students; therefore, the Dean of Students reserves the right to take disciplinary action against a student anytime he/she is tardy. Possible disciplinary actions may include exclusion from Elective (or Optional) Courses or Enrichment Activities, such as field trips or guest lectures. Chronic tardiness may lead to suspension or other disciplinary action.

As tardiness approaches the point of becoming chronic, the Director of Student Affairs informs the Parent in writing that if the student is late to class again they will be marked as chronically tardy.

LATE ARRIVAL, LEAVING FOR PART OF THE DAY, AND EARLY DISMISSAL

If a student arrives late, it is the Parent’s responsibility to accompany his/her tardy student to sign in at the front office, provide a written note, or call the front office explaining the reason for the student’s late arrival. Students in grades K–4 must be accompanied by a Parent; a note or a call will not suffice. A student who arrives late to school without a Parent, a written note, or a call explaining the late arrival may be held out of class until his/her Parent can be reached to explain the reason for the late arrival.

Students leaving early or leaving for part of a day must be collected and signed out by a Parent during a passing period and not during class time. If the Parent does not know when passing periods are, he/she should call the front office for this information.

A student returning to school after his/her class has started may be required to wait in a designated area until the next class. This is often necessary to assure the quality of the education process for the students present in the class.
HOMEWORK

Homework is an organic and integral part of the learning process. It is the best way for the student to verify that he/she understands what was learned in the class and is able to use this knowledge independently. Homework assists students in developing self-discipline, self-direction, and effective study skills.

- **Student Responsibilities:**
  - Listen carefully to teachers’ instructions, write down all homework assignments in the CJ, including due dates, and ask questions when something is unclear.
  - Take home all assignment instructions and all necessary materials.
  - Schedule a time to complete homework.
  - Complete homework independently.
  - Communicate any difficulties with an assignment to the teacher the following day.
  - Communicate any difficulties with material on which students will be tested as soon as a test is announced.
  - Return assignments and related materials on or before the due date.

- **Teacher Responsibilities:**
  - Communicate homework and testing policies and procedures to students at the beginning of the course.
  - Give clear homework instructions.
  - Notify students at least five school days in advance of any test (quizzes excluded).
  - Coordinate testing days with other teachers to ensure students do not have more than two tests in one day (one test per day for courses in grades K–4).
  - Monitor and evaluate homework.
  - Return homework to students in a timely manner.

- **Parent Responsibilities:**
  - Schedule a time for homework/studying and provide an environment that is well-lit and free from distractions.
  - Allow your student to complete work on his/her own.
- Communicate with teachers using the student’s CJ, email, telephone, or a personal conference when specific academic difficulties arise.
- Help the student to prioritize assignments and support the improvement of organizational skills over the course of the school year.
- Promote development of the student’s sense of personal responsibility for his/her education by gradually withdrawing from any participation in the student’s organization of his/her homework and study time.

**LATE OR INCOMPLETE HOMEWORK**

When students fail to complete homework assignments, for any reason other than an excused absence, it may result in a low or failing grade. When a student displays systematic deficiencies in fulfilling his/her homework responsibilities, it is the responsibility of the Parent and the School to help the student develop efficient study skills and the discipline necessary to ensure homework is completed on time. Upon a recommendation from any teacher, the Dean of Students may place a student on the Academic Support Program.

**INDEPENDENT WORK MATERIAL**

To support the work that students are expected to do at home, teachers distribute worksheets, reading material, and other valuable information in the form of handouts. This material is crucial to support students when studying independently at home, during study time embedded into the regular school day, or during the Late Bird program. It is the responsibility of the student to organize this material as instructed by the teacher (e.g., “insert this handout into your three-ring binder under the Independent Study tab”) and be able to produce it when requested to do so. Learning how to organize school supplies and independent work material is an important skill that students are taught at the School.

To help students develop efficient organizational skills and the discipline necessary to use the Independent Work Material effectively, the Dean of Students, based on the recommendation of any teacher, may place the student on the Academic Support Program.

**HOMEWORK AND ABSENCES**

When a student in grades K–8 is absent due to illness, injury, or family reasons, the School will use Homework Buddies (Please see your School’s Guidebook for more information on Homework Buddies). Students in grades 9–12 are expected to organize contact with the School on their own, but may contact the Dean for assistance in the case of a long-term, excused absence.
MAKE-UP WORK DUE TO EXCUSED ABSENCES
In grades K–4, the Kindergarten Teaching Fellow or the Learning Expert Teacher will organize students’ make-up work. For the students in higher grades, each teacher outlines his/her policy for the completion of missed homework assignments, quizzes, and tests in the Course Syllabus. However, the general policy is as follows:

- The student is responsible for asking his/her teacher about all missed homework, quizzes, and tests upon his/her return.
- The teacher is responsible for outlining a time schedule for the completion of missed assignments, quizzes, and tests and clearly communicating this information to the student. The time available for completion of assignments depends on the length of absence.
- The teacher may require the student to attend Student Hour sessions to set up a schedule for missed work or to take missed quizzes and tests.
- The teacher identifies which tests and quizzes must be taken during his/her Student Hours.
- The student must complete all homework assignments within the timeline designated by the teacher.

CLASSES MISSED DUE TO TARDINESS OR UNEXCUSED ABSENCES
Students who miss class due to tardiness or unexcused absences may receive a score of zero for any missed assignments, quizzes, or tests. Remedial assistance and credit for any missed assignments, quizzes, or tests is available at the discretion of individual teachers.
HEALTH AND SAFETY

MEDICATIONS

Students may only take medication during school hours if it is essential to maintaining their good health. Staff members are prohibited from giving medicine to a student unless the following requirements are met:

- All prescription medication must be in the original sealed container, labeled with the student’s name, date, name of medication, dosage to be given, and the pharmacy’s prescription number. All prescription medication must be accompanied by a doctor’s note. All prescription refills must fulfill the same criteria.
- All non-prescription medicine must be in its original container. Over-the-counter medicine must be labeled with the student’s name, date, dosage, and time to be given at school.
- Medication must be brought to the School front office by a Parent and an Authorization to Administer Medication form must be completed for each medication to be dispensed.
- No more than a one-month supply may be kept at the School for any student who receives medication on a regular basis.

Students are strictly prohibited from providing or administering any medication to themselves or any other student. The only exception to this rule applies to students who require anaphylaxis medication (e.g., an epi-pen) or asthma medication; state law allows these items to be carried and administered by the student. The School will consider any necessary and reasonable modification of this policy on a case-by-case basis for students with disabilities.

To comply with the rules outlined above, a Parent must come to the front office to complete the appropriate paperwork for any student who requires medication during school hours. Staff members are not authorized to call Parents for consent to take over-the-counter medications (e.g., aspirin, Tylenol, Tums, cough drops).

At the end of the school year, all remaining medication must be picked up by the Parent. Any medication remaining at the School one week after the last day of school will be disposed of.

CONTACT MADE IN THE CASE OF HEALTH ISSUES

If a student experiences injury or illness during the school day, the School may contact the Parent. If a Parent is unavailable, a contact listed on the Emergency Contact form will be contacted. The order of contact may vary from the Emergency Contact form.

It is essential for Parents to provide reliable emergency contact information. Parents must inform their School’s front office immediately of any changes in home/work address, home/mobile phone numbers, or emergency contact listings. Anyone listed as an emergency contact is responsible for deciding if, when, and how the student leaves the School in the event of an illness when a Parent cannot be reached.
SIGNS OF ILL HEALTH: MANDATORY ACTION

Students experiencing any of the following symptoms should not attend school. If a student displays any of these symptoms during the school day, the School will call the Parent or Emergency Contact to request that the student be collected immediately.

- Fever over 100 degrees. The student must be fever-free for a full 24 hours, without medication, before returning to school.
- Persistent cough.
- Sore throat with fever and/or white spots on the throat.
- Rash with fever indicating signs of chicken pox, measles, etc.
- Nausea, vomiting, or diarrhea. The student must be free from symptoms for 24 hours before returning to school.
- Red, itchy, draining eyes.
- Swelling or pain at a level that may interfere with learning.
- Earache.
- Toothache.
- Head lice.

Students diagnosed with conjunctivitis (pink eye) must be on prescribed medication for 24 hours before returning to school. Students with head lice must remain at home until treated with medical lice shampoo and all traces of lice are gone.

REPORTING ILLNESS DURING THE SCHOOL DAY

If a student comes to the School front office reporting illness, the office staff may take the student’s temperature and notify the Parent or emergency contact. If the student is not experiencing any signs of ill health covered by mandatory action, or does not have any serious injury, then it is the Parent or emergency contact’s decision to determine whether to collect the student or have the student return to class.

If the office staff is unable to reach the Parent or emergency contact and the student is not experiencing any signs of ill health covered by mandatory action, or does not have any serious injury, the student will be asked to return to class.

If the student is experiencing any sign of ill-health covered by mandatory action or has a serious injury, and
the student has not been collected within a reasonable amount of time (depending on the seriousness of the situation) after the Parent or emergency contact was notified, or if the School was unable to reach the Parent or any of the emergency contacts listed on the Emergency Contact form, the School will follow the Medical Emergencies Procedures outlined below.

If the Parent or emergency contact decides to collect the student, the student waits in a designated area, supervised by office staff. If the student has not been collected within 50 minutes and is not experiencing fever, diarrhea, or vomiting, or does not have any serious injury, he/she is sent back to class.

The School has limited options to make sick students comfortable, so students should be collected as soon as possible after the Parent or emergency contact is notified of illness.

MEDICAL EMERGENCIES

In the event of a medical emergency, the following procedures are followed:

• A qualified adult starts first-aid procedures immediately. All full-time teachers and office staff are trained in basic first-aid procedures.

• If further emergency aid is required, a staff member will call 911.

• After steps have been taken to resolve the immediate medical emergency, the office staff notifies the Emergency Contact.

• A staff member may accompany the student to the hospital to offer assistance or comfort.

• If a serious injury is not accidental, is self-inflicted, or caused by assault, the police are notified and a report is written.

• If a 911 dispatcher sends an ambulance and the Parent does not want his/her child transported by ambulance, the Parent must cancel the ambulance by calling 911.

• Staff members are prohibited from canceling an ambulance request.

EMERGENCY PREPAREDNESS

Since each School facility and location has unique needs, emergency preparedness and disaster protocol varies by School. Students and staff will conduct regular safety drills throughout the school year to ensure emergency preparedness.
SCHOOL SUPPLIES

Students are required to come to School equipped with sufficient school supplies (e.g., pens, pencils, sharpeners, erasers, and notebooks). Students should also come with any additional supplies indicated on the Course Syllabus or communicated to the students in class, the CJ, or the required school supplies list. This requires substantial organizational skills and self-discipline on the part of the student. Learning how to organize their school supplies and independent work material is an important skill every student must master as a part of his/her education.

To help the student to develop efficient organizational skills and the discipline necessary to comply with the organization of school supplies, the Dean of Students, based on the recommendation of any teacher, may place the student in the Academic Support Program.

INSTRUCTIONAL MATERIAL

The School provides students with instructional material, textbooks, worksheets, etc., which students can take home or use during class, independent study time, or the Late Bird program. Students are responsible for the careful handling of all the materials provided to them. All instructional materials furnished by the School are provided only once. If a replacement is requested by a student or Parent, the Parent is responsible for the School’s incurred cost to replace the requested item.

OPTIONAL SUPPLIES AND INSTRUCTIONAL MATERIAL

The School’s financial resources are limited. While all the instructional material necessary for student’s participation and success in the academic program is provided to students by the School, the School may, from time to time, encourage but never require students to purchase supplemental materials that may enhance their learning. Such materials include, but are not limited to: workbooks, resource books (such as novels, anthologies, and dictionaries), software, art supplies, science lab supplies, etc. Families are only required to pay for materials or activities that are necessary for fulfilling optional academic requirements. Optional academic requirements are requirements that are imposed on the student only after his/her Parent agrees that the student be involved in the optional program. There is always a free option (with an equivalent academic impact) available to students who opt not to participate in a fee based optional activity.

Examples: the School may require students to purchase materials or cover costs that are necessary for participation in an optional elective (e.g., 3D Art Studio or Robotics). There is always an elective offered at the same time that does not impose any additional financial burden. When the School organizes an activity or field trip requiring a student’s financial participation, the School always offers a free, on-campus alternative activity during the same time. If the student does not purchase an optional workbook, the School provides
the workbook to be used as a resource and the student writes his/her answers on sheets of paper provided, instead of writing in the workbook. This enables the workbook to be reused by another student. When a student chooses not to purchase a recommended novel the student is provided with a School copy and writes annotations required by the teacher on sheets of paper provided, with page and paragraph indications.

CUBBIES AND LOCKERS

CUBBIES
All students in grades 1–3 (and, in some Schools, students in grade 4) are assigned cubbies for storing books and personal items. Cubbies are the property of the School. At no time does the School relinquish its exclusive control of the cubbies, which are provided as a convenience to students. Students must use the cubby assigned to them. The School is not liable for any items missing from a student’s cubby. Staff members may conduct periodic, general inspections of cubbies at any time for any reason without notice, student consent, or a search warrant.

LOCKERS
Where possible, each student in grades 4–12 is assigned a locker at the beginning of the school year for storing books and personal items. Students are required to use the lock provided by the School. Under no circumstances may a lock other than the one assigned by the School be placed on a locker. This may be considered a Disciplinary Violation. There is a nominal annual locker fee.

Lockers are the property of the School. At no time does the School relinquish its exclusive control of the lockers, which are provided as a convenience to students. Nonetheless, students have full responsibility for the security of the lockers assigned to them and are responsible for the contents. It is the student’s responsibility to properly lock his/her locker and to keep the lock combination confidential. Sharing the lock combination with other students may be considered a Disciplinary Violation. The School is not liable for items missing from a student’s locker. Staff members may conduct periodic, general inspections of lockers at any time and for any reason without notice, student consent, or a search warrant.

Students may only use the locker assigned to them by the School. All locker changes or exchanges must be approved by the Dean of Students or a designated staff member. Using a locker other than the one assigned to the student by the School without approval from the Director of Student Affairs may be considered a Disciplinary Violation.
THE COMMUNICATION JOURNAL (CJ)

The CJ is the primary method of communication between Parents, teachers, and staff with regard to a student’s academic performance or classroom behavior. CJs are used by students in grades K–12. Students must bring the CJ to every class, every day. The CJ is essentially a day planner, but it is also the most important tool for students to manage their assignments and to take responsibility for their own learning. Students can purchase the CJ at the School Store or choose to purchase one elsewhere. The CJ available for purchase from the School is designed to serve specific School needs. Both students and teachers are trained on how to use it consistently and efficiently so that all homework assignments, quizzes, and tests are recorded. Students are responsible for alerting their teachers of notes from their Parent and alerting their Parent of notes from the teachers or the School. If the CJ is lost or missing, it is mandatory that students inform their Parent immediately and purchase a replacement. Failure to bring the CJ to School, destroying the CJ, or removing pages from the CJ may be considered a Disciplinary Violation.

EMAIL PROTOCOL

Email addresses are available from the School ParentSquare Directory. Parents should not use email in the case of an emergency; rather, they should call the School front office directly. While Parents may use email to communicate any issues of concern, the demands of the School staff may limit their ability to address such communication or concerns immediately. Nevertheless, the staff member will acknowledge the communication within three working days and provide information on when the Parent can expect a full response. If a Parent does not receive an email response within three working days, he/she should inform the Head of School via email of the communication issue. If the Head of School does not address the communication problem within two working days, the Parent should call the School front office and schedule a meeting.

Parents should not request that teachers email assigned homework or due dates for their student. To develop the student’s sense of personal responsibility, the School policy is to provide this information only to the students. As a result, teachers will not respond to these requests. The only exceptions to this rule are grades K–4 student absences and any student experiencing a long-term absence. Absent students in grades 5–8 are provided with information on missed work and assignments, through the Homework Buddy system.
VISITORS TO THE SCHOOL

All visitors must check in at the School front office and comply with the School’s requirements for entry. If an individual is permitted to enter beyond the general foyer space, as indicated by the School front office, the visitor is required to wear a Visitor’s Badge at all times. Visitors are not generally permitted to enter classrooms during instructional time.

The School will terminate visiting privileges for any visitor who interferes with academic instruction during the visit or who does not comply with the rules described in this Handbook.

In order to support the dress code and set a good example for our students, visitors to the School are expected to wear attire corresponding with the School dress code rules.

Visitors must be 18 years or older. Minors (under the age of 18 and not a School student) can only enter the School premises if accompanied by their Parent, invited by the registrar during the student recruiting process, or participating in enrichment events which are designated ‘open to minors’ who are not students at the School.
Since BASIS Charter Schools operate in different regulatory environments, the content and rules for student records vary by School. The School abides by the relevant jurisdiction’s laws and regulations (e.g., immunizations). Students who are not compliant with these laws are not permitted to attend the School. Please see your School’s Guidebook for more information.

Student records include:

- **Historical records:** Records received from the student’s previous school.
- **Attendance records:** Daily attendance records for the current school year and Absence Recovery Plans.
- **Academic records:** All Final Reports issued by the School in previous years, the last progress report (if the student leaves before the end of the school year), and any official external test score reports.
- **Special education records and Section 504 records.**
- **Discipline Records:** Any disciplinary decisions or participation in disciplinary investigations documented during the school year, short and long-term suspension notices, and expulsion notices.
- **Health records:** Immunization records, medication instructions, etc.
- **Parent-Student Assurances:** Handbook Acknowledgment, permission forms etc.
- **Personal records:** Records received from Parents during the registration or enrollment process, including the Emergency Contact form.
- **Parent information:** The student’s caregiver(s), as identified in the student’s registration documents as the person or people with whom the student resides.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) NOTIFICATION

FERPA affords Parents and students over 18 years of age the following rights with respect to a student’s education records:

- The right to inspect and review the student’s education records.
- The right to request amendment of the student’s education records.
- The right to consent to the disclosure of personally identifiable information contained in the student’s education records.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with requirements of FERPA.

PUBLIC NOTICE REGARDING DIRECTORY INFORMATION

FERPA generally prohibits the School from releasing or providing access to your child’s educational record or personally identifiable information without your consent. The School may, however, disclose appropriately designated “directory information” without your consent, unless you instruct us otherwise in accordance with this section. The definition of directory information at BASIS Charter Schools is limited, meaning that information designated as directory information will be disclosed only for specific purposes.

“Directory information” means the student’s name, photograph, physical address, grade level, dates of attendance, honors, awards, participation in activities and sports officially recognized by the School, height and weight of athletic team members, awards or placement in school-organized or supported competitions, and cumulative and current grade average (in the case of students who qualify for academic recognition).

This information will be disclosed for the following purposes:

- For use in the annual yearbook.
- School publications, including school/class directories, lists, newsletters, fliers.
- For honor roll or other awards or recognition lists.
- Graduation programs.
- Extracurricular programs, including sports rosters, playbills, concert programs, etc.
- Military recruiters and institutes of higher education, for upper school students only.

We take your child’s privacy seriously and, in strict compliance with FERPA, we do not grant requests for student directory information for commercial purposes.
Please note that your express consent will be sought and obtained before your child is asked to participate in any survey that involves protected survey information as defined by the U.S. Department of Education. Any such survey materials and surveys created by third parties will also be available for your review upon request.

If, for this academic year, you do not want the School to disclose any information from your child’s educational record without your prior written consent, please sign and return an Opt-Out Form, which is available at the School’s front office. State or school-specific variations regarding directory information and disclosures can be found on the School’s website or in the School Guidebook.

NAME REGISTRATION PROCEDURE

When a student has a surname different from that of the Parent with whom he/she resides, the official registration must carry the names as recorded on the birth certificate, unless adoption or another legal name change is supported by documentary evidence.

CHANGES IN PERSONAL AND HEALTH RECORDS

It is the responsibility of the Parent to inform the School promptly of any changes that include, but are not limited to: home address, Parent telephone numbers and email address, marital status, guardianship, health status, immunizations, and medication needs. The Parent can bring the new documents to the School front office (in a sealed envelope if appropriate) or mail it to the School (addressed to the School Registrar). The Parent must supply a copy of the document (notarized, if original document is required); the School is not required to copy documents and does not have a notary available.
COMMUNITY

BASIS BOOSTERS

Each School draws from many neighborhoods and, in some cases, many towns to build its student body. Because of this wide distribution, the School relies on its Booster Clubs. Booster Clubs are not-for-profit, site-specific, parent volunteer organizations that act as the “social glue” between the School families. By planning and coordinating social events and having a presence at many School-sponsored events, the Boosters provide students with opportunities to meet and socialize outside of the school day and help integrate Parents into the School culture.

In addition to fostering the School community spirit, the Boosters also provide practical help. Booster Clubs have bought and donated classroom supplies and teaching equipment through their own fundraising events and projects. The chairperson of each Boosters group may meet with the Head of School to discuss relevant issues.

Parents who wish to join or otherwise contribute to the School via the Boosters should visit the Booster website, which contains information about membership, events, and general news. To learn more about the Booster Club associated with your School, contact the School front office.

DONATIONS

Fundraising initiatives are implemented at the School level. Parents, relatives, and friends are encouraged to contribute in a variety of ways. Since every BASIS Charter School is a part of a 501(c)(3) organization (BASIS Charter Schools, Inc., BBR Schools, Inc., BTX Schools, Inc., or BDC, A Public Charter School, Inc.), all donations to BASIS Charter Schools are tax-deductible to the full extent of the law. In addition, in Arizona, for example, all Parents can donate under the public school tax credit for extracurricular activities. To learn more about fundraising opportunities in your School, see your School’s “Support Us” web page.

GIFT POLICIES

Staff members are prohibited from accepting gifts of more than a nominal value from any member of the community. Parents can help staff members comply with this regulation by abstaining from gift-giving, even during the holiday season. If you wish to show appreciation for a job well done, please consider making a donation to the Annual Teacher Fund (ATF) or to one of the other fundraising events at your School. Parents should also support Booster Club initiatives.
A COMMITMENT TO FAMILIES WHO CONTRIBUTE TO THE ANNUAL TEACHER FUND

All charter Schools accept donations to the Annual Teacher Fund (ATF). All money donated to this fund helps to recruit, retain, and reward valued teachers at the specific School. For additional information about the ATF, please refer to the “Support Us” page of your School’s website.

MISCELLANEOUS

LUNCH, SNACKS, AND FOOD IN THE CLASSROOM

Each School facility has different options regarding food services, time designated for lunches, and the area designated for the students to have lunch or snacks. Each School, therefore, has its own rules and information related to lunch, snacks, or food in the classroom, which are posted at the School site and are detailed in the School’s Guidebook.

PICKING UP AND DROPPING OFF STUDENTS

Each School facility has designed its own pick-up and drop-off procedures based on specific School locations and local traffic arrangements. For information regarding rules related to pick-up and drop-off procedures, please see your School’s Guidebook.

CARE OF PROPERTY

Students and Parents are responsible for the cost of replacing any materials lent to the student by the School, which are subsequently lost or damaged through vandalism or negligence. All instructional materials and documents (including syllabi, worksheets, and information fliers) furnished by the School are only provided once. If replacements are requested by a student or Parent, the Parent is responsible for the School’s cost to replace the requested item.

STANDARD DUE PROCESS

For disciplinary decisions in situations not otherwise addressed in this Handbook, described above, a Parent may request, in writing, that the Director of Student Affairs review a staff member’s decision related to his/her student. The Parent will receive a written response to his/her request within 20 school days. If the concern is related to any of the Directors, the Parent should send the request to the Head of School. If the concern is
related to the Head of School or Head of Operations, the Parent should send the request to the Vice President of Charter Schools, or designee. In both cases, the Parent will receive a written response to his/her request within 30 school days. If the Parent believes that the School violated any charter or other applicable laws or regulations, he/she may bring it to the School’s attention and/or directly contact the appropriate charter authorizing entity.

For BASIS Washington, D.C., the Parent may bring the issue to the School’s attention and/or contact the BASIS Washington, D.C. Board of Trustees.

**PARENT FINANCIAL OBLIGATIONS**

As a method of recording payments from Parents for allowable fees and deposits, the School utilizes a third-party payment system. The School employs this service to provide clarity in billing, as well as to provide flexibility and convenience for families to deliver payment. In most cases, the School is not authorized to collect cash payments or checks. Once a student has secured and accepted a space at the School, the Parent is required to set up a payment account. This account assures 24/7 access and allows the Parent to sign up for any optional activity or additional services for their student.

The School may impose the following sanctions against students for non-payment of fees and charges:

- Denying participation in the end-of-year assembly.
- Denying the privilege of obtaining a yearbook.
- Denying participation in enrichment and optional activities.
- Taking legal action against the Parent.

**NON-ACCIDENTAL INJURY/PHYSICAL NEGLECT OF A MINOR**

The School is required to report non-accidental injuries and physical neglect of minors to the state child and family services agency. The law requires personnel who suspect or observe evidence of injury, sexual molestation, death, abuse, or physical neglect, which appears to be non-accidental, to immediately report (or cause reports to be made) to the proper agency or agencies. For more information, refer to this Link. Failure to report such suspicions or observations may carry a criminal penalty depending on the jurisdiction. Reports are made confidentially to the applicable agency for follow-through pursuant to their protocol. School personnel are not allowed to disclose the nature of these reports to the Parents.
NOTICE OF NON-DISCRIMINATION

In accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title II of the Americans with Disabilities Act of 1990, the Boy Scouts of America Equal Access Act and applicable state law, BASIS* does not discriminate on the basis of actual or perceived race, color, religion, national origin, sex, age, disability, gender identity or expression, or any other classification protected by law in any of its business activities, including its educational programs and activities which comply fully with the requirements of state and federal law and Title IX. The following person has been designated to handle inquiries regarding BASIS’ non-discrimination policies: Beverly Traver, Compliance & Equity Investigator, 7975 N. Hayden Road, Suite B202, Scottsdale, AZ 85258, (480)289-2088 ext. 147.

*As used in this policy, the term “BASIS” refers to: BASIS Educational Group, LLC, BASIS Charter Schools, Inc., BTX Schools, Inc., BDC, A Public School, Inc., BBR Schools, Inc., and all affiliated entities.

EQUAL EDUCATIONAL OPPORTUNITY AND PROHIBITION AGAINST RETALIATION

The School will not tolerate retaliation against any student who files a good-faith complaint of discrimination or harassment, even if the investigation produces insufficient evidence to support the complaint or if the allegations cannot be substantiated. Likewise, the School will not tolerate retaliation against any individual who participates in the investigation of a harassment or discrimination complaint against anyone else. Any perceived retaliation should be immediately reported to the Title IX Coordinator for investigation.

BASIS.ed and BASIS Charter Schools will take all steps necessary to ensure strict enforcement of its non-discrimination, non-retaliation, racial, and sexual harassment policies.

DISCLAIMER

The School has made every reasonable effort to ensure the policies in this Handbook comply with all applicable state, district, and federal laws and regulations. If this Handbook contains a policy that does not comply with applicable law, that law takes precedence over the Handbook policy.

If any part of the Handbook is for any reason held to be unenforceable, such provision is severable and the rest of the Handbook remains fully enforceable.
